

Dear Friends of Gaumenkitzel,

With a heavy heart, we announce our restaurant's permanent closure mid-end of March 2024. We are grateful for the incredible support we have received over the past 13 years, and we want to sincerely thank you for being a part of our journey. We have cherished the opportunity to build friendships with many of our customers and will miss all of you immensely.

Despite our steady growth after the COVID-19 pandemic, we have faced persistent challenges in finding and retaining experienced team members. This has caused a strain on our operations and overall well-being. As we did not anticipate an improvement in this situation in the near future, we made the difficult decision to sell our business while it is performing well.

We want to express our deepest gratitude to Maria and Alfredo, our two prep cooks, who have been with us for many years and share our passion for cooking from scratch. They have tirelessly cooked and baked and have never considered failure an option. They are the reason we stayed open for as long as possible, and it is breaking our hearts to see them go.

We also would like to thank our neighbors and community for warmly welcoming us when we opened our restaurant. We enjoyed our daily conversations with you, the friendly greetings called across the street, the excitement we shared over the beautiful monarch butterflies feeding on milkweed in our small side yard, and countless other pleasant memories. Your support and kindness means a lot to us.

We apologize for any inconvenience this may cause and hope you understand our reasoning. Once again, we thank you for your support and patronage over the years. It has been a pleasure to serve the community, and we will always cherish the memories we have made together.

Warmest Regards,  
Anja & Kai
